CLASSICS

Turning Point

As the days get shorter we look to Fall as a turning point both inside and out. This season, we stayed true to ourselves but set out to embrace the new — new categories, new print processes, new silhouettes and a new approach to design.

We got inspired by our backyard; a coffee shop as it rains outside, a hike with friends, an art show at a local gallery. Being in British Columbia has taught us respect for the world around us and provided us with the creativity we need to be always classic, but constantly evolving.

Back To School

PRODUCT LAUNCH

Back To School

Put Yourself Out There.

Discover best-in-class backpacks, duffles, totes and accessories for a new school year. Our line of signature styles is made with EcoSystem™ recycled fabrics, streamlined silhouettes, expandable water bottle pockets, EVA padded shoulder straps and organizing features to keep all the little things in place.

Why We Made This

We make classics that Creatives can carry with them for years to come. This season, we amplify our classic bags category, keeping it top of mind for Creatives during our peak back-to-school selling period. We grow our tote category with the introduction of a larger unisex tote with more features at a higher price point. We also introduce some of our classics in a new fabrication with our Premium Classics collection, based on the success of our previous Eco and Field Trip collections.

What's New

The Herschel Heritage™ Tote joins our classics line, offering an option with a higher volume and more feature sets for your daily carry. We also introduce a brand new Premium Classics collection that reimagines some of our signature styles in an EcoSystem™ Twill Fabric and veggie tan leather details.
