Introducing **HUF WOMENS**, the latest addition to the HUF family. Ruled by creativity, community, and authenticity, our HUF woman is the epitome of remaining understated yet always understood.

Featuring new silhouettes, vibrant color stories with a mix of unisex cords, the premier Fall 2021 collection explores a myriad of dualities inspired by Alvin Toffler's 1970 book, "Future Shock," all seen from her point of view.

Classic yet unapologetic and always rooted in grit. The long awaited WOMENS assortment reflects the unwavering respect of skate culture, an ever-evolving movement of autonomy and ingenuity that will always remain at the core of everything HUF.
