# SHANGHAI

The Made in China (for China) classic was founded in Shanghai in the 1930s and has a rich history. Once worn by Chinese athletes, this sturdy, comfortable and durable sneaker grew to become an established household name worn by the poor, the rich and businessmen. The 'love you long time' wearable has revived as a cultural icon loved by the youth all over the world. Now The iconic classic shoe has made its way to Europe and we want to introduce you to the WB-01 model.
