HISTORY & HERITAGE

In 2006, YETI founders, brothers Roy and Ryan Seiders, set out to build a cooler without compromise. They were tired of handles breaking apart, latches snapping off, and lids caving in year after year. Ordinary ice chests were cutting outdoor adventures short and regularly costing money to replace. So, they decided to create a solution: to engineer a cooler that could keep ice for days, one that was durable enough for anglers to stand on and cast from, one that was completely different to any cooler that had come before it.

That's how YETI Coolers was founded, and then the legendary Tundra® Cooler hit the market. It was a cooler made especially for the serious outdoor enthusiast rather than the occasional camper. One that can get dropped out of a truck, dragged through the backcountry, withstand any weather, and still be game for more. One that is virtually indestructible and designed to be irreplaceable.

Since 2006, we've built even more products that stand up to the hazards of the wild so you can stay out longer, travel farther, and live harder.

No matter where the wild takes you, there's a YETI ready to tackle your next adventure head on.

WHY THE TUNDRA IS WORTH IT

Born from frustration, the YETI Tundra is what happens when you find every single downside to cheap coolers and over-engineer the hell out of them. It's ice for days - for all your days - in the wild, and it's ready for any adventure.

KEEP ICE ICE-COLD

ColdLock Gasket

A freezer-quality gasket circles the length of the lid to block out the heat and lock in the cold.

FatWall Design

Extra-thick walls hold up to two inches of insulation for unmatched ice retention.

PermaFrost Insulation

Pressure-injected, commercial-grade polyurethane foam in the walls and lid make sure your ice stays cold for days.

OUTLASTS THE OUTDOORS

Certified Bear-Resistant

Designed to meet the Interagency Grizzly Bear Committee's structural standards for food storage.

Rotomolded Construction

Makes it armored to the core and virtually indestructible.

T-Rex Lid Latches

Patented design uses heavy-duty rubber so your latches stay latched.

NeverFail Hinge System

Two hinge pins and interlocking design prevents the hinge from ever breaking.

ROADIE 20

The YETI® Roadie® is BYOB's new best friend. Its ColdLock™ Gasket is built just like the Tundra®'s, so ice stays colder longer, and its No Sweat™ Design means you'll never be stuck mopping up a mess. With its compact body and rotomolded construction, this small but mighty outdoor cooler is ready to hit the road, whether you're in for a day of tailgating or kicking back at the ranch.

TUNDRA 35

The YETI Tundra 35 is portable enough for one person to haul while still having an impressive carrying capacity. Thanks to up to 3 inches of PermaFrost Insulation and the FatWall Design, this cooler will keep your ice icy. And even though it's the smallest of our Tundra line, the Tundra 35 is still built to be bear-resistant.

TUNDRA 45

The YETI Tundra 45 combines versatility with durability. This premium cooler is infused with that legendary YETI toughness. It has a durable rotomolded construction and up to two inches of PermaFrost Insulation. It's UV-resistant and damn-near indestructible. The durable, marine-grade polyester rope handles with textured grips let you easily haul your Tundra 45 to the campsite and out on quick hunting excursions.

TUNDRA 65

Our coolers are at home on the dock, at the ranch, in the blind, or on the boat, and the Tundra® 65 is no exception. Just as adept at keeping your catches cold in the field as it is storing the drinks and food for your backyard barbecue, this ice chest is plenty roomy, holding a limit of redfish or your prized brisket.

TUNDRA 75

The YETI® Tundra® 75 is the outdoor cooler that's ideal for keeping your family and friends fed and hydrated during a tailgate, barbecue, or day at the lake. Wherever you take it, the bear-resistant design of the Tundra 75 cooler will protect your food, drink, or catches from burly party crashers. Its rectangular body has the flexibility to make itself useful on board — it will fit under most leaning posts and can also be used as a seat in front of most centre consoles.

TUNDRA 105

We designed the YETI Tundra 105 outdoor cooler with more height and a smaller footprint, so it takes up less room in your boat or truck bed. That extra altitude lets you stack your meats and drinks up high with enough room for a layer of ice on top. This body shape means greater capacity and longer ice retention than standard coolers, and the benefits don't stop there. The Tundra 105 is dry-ice compatible, so you can keep everything cooler for even longer than with standard ice and with less weight.

TUNDRA 110

The YETI® Tundra® 110 was designed specifically with the rafting community in mind. It's sized to fit all major raft frames snugly, so your YETI doesn't end up overboard. And like all YETI coolers, the Tundra 110 is built to last trip after trip, with the same rotomolded polyethylene construction used to make whitewater kayaks. Up to 3 inches of PermaFrost™ Insulation and our ColdLock™ Gasket mean you won't have to constantly top it off with ice. Which is good, because you don't pass too many convenience stores on the river.

TUNDRA 125

YETI® Tundra® 125 is your go-to ice chest. Built from virtually indestructible rotomolded polyethylene with up to 3 inches of PermaFrost™ Insulation in the walls and lid, it's your best bet for keeping ice on longer journeys. When used as a durable marine cooler, it offers ample space to hold the whole crew's limit of snapper, redfish, or trout. Plus, it doubles as a seating bench to save room on board. And the No Sweat™ Design prevents puddles from forming aboard your trusty vessel. As a hunting buddy, it excels at keeping a quartered deer preserved while you kick back with a few drinks by the fire.

TUNDRA 160

The Tundra® 160 is designed for those guys and gals who are in the field or on a boat season after season, for whom ordinary coolers just won't cut it. Durable? You bet. This large cooler is made from the same rotomolded polyethylene as whitewater kayaks. And the molded-in NeverFail™ Hinge System means you'll never have to replace a busted hinge again. Superior cold-holding power? Of course. With our FatWall™ Design and ColdLock™ Gasket, you'll spend more time doing what you love and less time restocking ice.

TUNDRA 210

The YETI® Tundra® 210 is our deepest outdoor cooler with a smaller, cubed footprint. That cavernous space combined with less surface area lets you haul a mighty load of food or drinks without taking up too much space in your truck, trailer, or boat. Of course, all that efficiency of space doesn't do you much good if it can't keep your supplies cold. But come on — this is a YETI. All that makes this the perfect cooler to take to the remote job site, on extended hunting and fishing expeditions, longer camping trips, all-day tailgates, or any other endeavour that requires maximum carrying capacity.

TUNDRA 250

If you regularly find yourself in the wilderness on long hunting or fishing trips, the Tundra® 250 commercial-grade cooler is your new best friend. Going by sea? It's perfect for offshore sport or commercial fishing. It's big enough to hold wahoo, tuna, and amberjack, and the integrated tie-down slots keep your catch in place. The UV-resistant polyethylene material won't fade or crack from being in the sun all day. Or month. Or year. Going by land? The Tundra 250 is one large cooler that lets you pile in a quartered moose, elk, or several deer, and the freezer-style gasket means your meat will stay fresh the whole trip.

TUNDRA 350

The Tundra® 350 is YETI®'s largest premium cooler. With a whopping 19,000 cubic inches of capacity and enough space to hold 299 litres, it's built to handle big events and deep-sea catches. The Tundra 350 is engineered tough from one piece of rotomolded polyethylene, so it'll last a lifetime. And its PermaFrost™ Insulation, No Sweat™ Design, and self-stopping hinges make storing your hauls and hunts easy. It can hold two freshly caught tuna, up to three elk, multiple whitetail — with the Tundra 350, the only limit is your limit because space is never an issue.

TRADE**

Food Safe

Brine the turkey or get the homebrew going.

HeftyHauler Handle

Designed for easy hauling and comfortable carrying.

SureStrong Build

This workhorse is high impact resistant and virtually indestructible.

LipGrip Handle

Makes carrying your catch seem like less of a chore.

AnchorPoint Tie-Down Slots

Secure your bucket to the back of your ATV, ute or boat to keep it snug and secure.

Bearfoot Non-Slip Ring

No slipping, no sliding, and its non-marking.

LOADOUT BUCKET

The LoadOut Bucket is the unsung hero of hard work and deserved a little attention. Our ultra-durable LoadOut™ bucket is designed for lugging, loading, hauling, baling, and stepping. Whether you're on the farm, on the boat or in the garage, our 5-gallon bucket is nearly indestructible and ready to work. But don't depend on it for keeping ice cold, it has other jobs to do.

LOADOUT CADDY

With everything the bucket can do, it's not known for its organisational capacity. This 3-compartment caddy is built YETI tough, so it's resistant to cracks and breaks when you need to fling it aside or drop it on the deck.

RRP £19.99 | €29,99

WHY THE GOBOX IS WORTH IT

Having the gear you need right when you need it — that's a good feeling. And peace of mind that they're supremely protected in a weatherproof, waterproof vault? Well that's a damn good feeling.

Check that convenience off — day in and day out — with the hyper-organised and nearly indestructible LoadOut GoBox.

THE CARGO BOX THAT KNOWS NO BOUNDS

MULTIMISSION SYSTEM

Portable build and versatile gear configurations frees you to pack this up for any pursuit.

DEFENDER MATERIAL SYSTEM

We can't legally say it's unbreakable — but this cargo box can withstand serious impact, even in the most extreme conditions.

100% WATERPROOF

GORE™ Vent allows for air flow when the pressure changes, and still prevents water from passing through.

WILDPROOF™ DESIGN

Waterproof and dustproof to keep gear inside protected from unwanted wilderness.

EASYFIND™ DESIGN

Wide design and versatile compartments keep gear and tools in their places and still accessible.

ACCESSORIES INCLUDED

1. PACK ATTIC™

Three accessible compartments in one deployable bag.

2. DIVIDER

Splits one big compartment into two. Easily removed when you need to load up the big stuff.

3. CADDY

From duck calls to fly boxes, dog treats to boat keys, this keeps you organised. No more rummaging around.

LOADOUT GOBOX

Having your gear accessible and protected is non-negotiable for almost any pursuit – and yet typical gear cases aren't built to stand up to the demands of the outdoors, and lack organisational capabilities. Built to be nearly indestructible, the LoadOut GoBox can endure seasons in the sun, negative temps in the field, and the daily abuse of being lugged in and out of the truck, the boat, and the blind.

WHY THE RAMBLER IS WORTH IT

Our Rambler line was created with one mission in mind: to make tough-as-hell drinking vessels that could keep cold drinks cold and hot drinks hot for hours on end. And we didn't compromise one feature along the way.

18/8 Stainless Steel

We source industrial-strength stainless steel because we know our customers are going to put our Ramblers through the wringer. Its thick-gauge construction is built to take on any weather and all dents and drops.

Radiant Barrier

The radiant barrier reduces radiation's impact on your cup or bottle, making sure your drinks stay cold.

Dishwasher Safe

Because no one needs more work to do.

Over-The-Nose™ Technology

Extra-wide opening for easy loading, drinking, and cleaning.

TripleHaul™ Cap

Three-finger grip for easy carry.

Double-Wall Vacuum Insulation

Vacuum insulation is one of the best-known insulators, and helps ensure cold drinks stay cold and hot drinks stay hot.

10 OZ LOWBALL

The Rambler™ 10 oz (296 ml) Lowball tumbler is the ideal drinking companion at the deer lease or around the campfire. Whether it replaces your morning coffee cup or serves as your nightly whiskey glass, the Lowball's double-wall vacuum insulation will keep your hot drinks hot and your cold drinks cold far longer than standard drinkware. And unlike your favourite bourbon glass, this Lowball will never shatter or leave a ring on your coffee table, thanks to its 18/8 stainless steel construction and No Sweat™ Design.

14 OZ MUG

The YETI Rambler® 14 oz. (414ml) Camp Mug is the toughest, most over-engineered camp mug out there. Unlike traditional camp mugs, this double-wall vacuum-insulated body protects hands from hot or cold contents while keeping coffee, chili, oatmeal – you name it – well-insulated. The mug's wide opening means contents are easily accessible but will cool quicker. That's why the mug comes with the standard Rambler 30 oz. Lid (also compatible with the Rambler 30 oz. MagSlider Lid) so you can cap it and keep it hot until you're good and ready.

HALF GALLON JUG

The Rambler Half Gallon Jug (1893ml) is built to take on the wild, whether that's rough tumbles from the truck cab or fishing the Texas flats in August. Like the rest of the Rambler series, it's constructed from 18/8 stainless steel, has double-wall vacuum insulation, and comes ready with our No Sweat Design. But this Rambler Jug is also outfitted with our MagCap and dock, so your cap is never out of reach while you grab a drink. The one-inch of lid insulation locks in your drink's temperature unlike any other water jug out there. If you want to take your cold (or hot) drinks further for longer, the Rambler Half Gallon Jug has you covered.

RRP £99.99 | €119,99

 STAINLESS  NAVY  BLACK

ONE GALLON JUG

With double-wall vacuum insulation and one-inch of lid insulation, the Rambler One Gallon Jug (3785ml) is built to keep things ice-cold (or piping hot) for longer. It has the same durable 18/8 stainless steel construction as the rest of the Rambler series, which makes it damn near indestructible, with a hefty stainless steel handle to make hauling your one-gallon jug easy. It's also outfitted with the quick securing MagCap and dock, so you can keep your cap close at hand while you grab a swig. This Rambler Jug is glacier sized for long days at the worksite or a rough day at the lease, so pack up your drinks and hit the road - your Rambler Jug is built for whatever comes it's way.

RAMBLER
JR 120Z

WHY THE RAMBLER JR IS WORTH IT

This ultra-durable and supremely insulated bottle lets your little wild ones enjoy a refreshing sip of water and get back to exploring. It's also dishwasher safe – cap, straw, and bottle – because no one needs more work to do.

FLIP. SIP. ADVENTURE. REPEAT.

DISHWASHER SAFE

Because one less chore sounds nice.

18/8 STAINLESS STEEL

To withstand all dents and drops.

DOUBLE-WALL VACUUM INSULATION

Keeps drinks ice-cold.

NO SWEAT™ DESIGN

Keeps their hands dry – critical when summiting the jungle gym.

DURACOAT™ COLOUR

Won't crack or peel.

BPA-FREE

So they can safely sip without a worry in the world.

CAP TECH SPECS

ULTRA LEAK RESISTANT

Ideal for impromptu rowdiness.

SHATTER-RESISTANT CONSTRUCTION

Recess is no match for the rowdy-resistant Straw Cap.

FOR BACKYARD CAMPOUTS, FORT BUILDING, AND OUTDOOR EXPLORING.

RAMBLER JR 12OZ BOTTLE

Rambler Jr. is a small and mighty kids bottle over-engineered for your little wild ones. This 12 oz. powerhouse inherited double-wall vacuum insulation from its Rambler predecessors, carrying on the family legacy by locking in ice-cold water through backyard campouts and breaks between tag. As a well-deserved convenience for you, we made sure its Straw Cap (which comes included, by the way) is ultra leak-resistant and both the bottle and cap are dishwasher safe. Plus, it's engineered with a super strong, stainless steel armour that won't flinch through bumps and drops on account of slippery hands.

BOOMER 4 DOG BOWL

Our customer-favourite Boomer Dog Bowl now comes in a smaller pawprint. This four-cup bowl is built for the smaller adventure companions who still require the same rugged durability and smart, non-slip design. As for you, we made sure it's dishwasher safe and engineered with the same double-wall, non-insulated stainless steel so it's just as durable, easy to clean, and resistant to rust and roughhousing.

RRP £39.99 | €49,99

STAINLESS NAVY BLACK SEAFOAM

BOOMER 8 DOG BOWL

Meet Boomer™. A YETI Dog Bowl designed to be as dependable and adventurous as your best friend. It holds eight cups of refreshing water and tasty treats, and built with double-wall, non-insulated stainless steel making it incredibly durable, easy to clean, and resistant to rust and roughhousing. When they've successfully licked Boomer clean, just throw it in the dishwasher, because time is better spent on the boat, duck hunting, or exploring new trails together.

TIE-DOWN KIT

Keep your bucket or cooler from slipping or sliding with the YETI® Tie-Down Kit. This kit helps lock your cooler in place on the boat, ute, or trailer. When not in use, only the low-profile deck plates remain, leaving nothing to trip over.

COMING SOON TO EUROPE

SECURITY CABLE LOCK & BRACKET

Secure your Tundra® in a truck bed or any other areas where it might be vulnerable with the YETI® Security Cable Lock & Bracket. Our high-strength carbon steel lock bracket is designed to fit into your YETI's AnchorPoint™ Tie-Down Slots. The 6 ft. long cable, with fully adjustable lock, holds tight at any position and easily threads through anchor points. For those that want an even more substantial theft deterrent, consider the high-strength carbon steel YETI Locking Bracket and use the cable or chain and lock of your choosing.

COMING SOON TO EUROPE

LOCK BRACKET POWDER COATED STAINLESS STEEL

Our YETI® stainless steel Locking Bracket slips into Tundra®'s AnchorPoint™ Tie-Down Slots and allows you to use a wide variety of locks, chains, or other security devices to keep your cooler secure. It's perfect for locking your Tundra into a truck bed, trailer, or any other areas where your YETI might be vulnerable.

RRP £15.99 | €19,99

BEAR-PROOF LOCK TWO-PACK

The YETI Tundra® and Roadie® meet the Interagency Grizzly Bear Committee (IGBC) standards for bear-resistant containers when used with extra-long shank Master locks. Our hard coolers have been thoroughly tested in both controlled bear simulations and with wild grizzly bears. When padlocks are used properly, grizzlies get nothing but frustrated after coming across your cooler.

COMING SOON TO EUROPE

TUNDRA SEAT CUSHION MAX4

Make your YETI® do double duty in the blind or dove field with the YETI Cooler Seat Cushion in Camo Max 4. To install, screw the included studs into the cooler lid and snap the cushion in place. Cushions are available for most YETI Tundra® models and all hardware is stainless steel.

RRP €149,99

TUNDRA SEAT CUSHION WHITE

Make your YETI® do double duty on the boat or dock with the YETI Cooler Seat Cushion. Our Seat Cushion has at least 2 inches of dense foam (3 inches in the Tundra® 125, 160 & 250 cushions) and is made of tough, white, UV marine vinyl stitched with GORE® TENARA® Sewing Thread. To install, screw the included studs into the cooler lid and snap the cushion in place. Cushions are available for all YETI Tundra models and all hardware is stainless steel.

RRP €149,99

TUNDRA BASKETS

Prevent soggy sandwiches or wet lunch supplies with the YETI® Cooler Basket made with coated steel wire. Tundra® 250 (2-Latch) Basket will only work on coolers where there are two latches on the lid of the cooler. All Tundra models come standard with one dry goods basket. Not available for Tundra Haul.

Starting from *
RRP £14.99 | €19,99

DRAIN PLUG W/ HOSE CONNECTION

Drain your YETI® cooler without lifting a finger. The Drain Plug Hose Connection fits most standard hoses. When not in use, secure the provided cap to lock in your cooler's cold-holding power. Compatible with Tundra®, Roadie®, and TANK® models.

RRP AUD\$14.95 NZ\$17.99

TUNDRA SLIDING FEET 4-PACK

Get your Tundra® moving with the YETI® Sliding Feet. They allow you to slide your cooler with ease on hard surfaces like boat decks or truck beds. And these feet are made of polyethylene, just like our coolers, so they're built to last. Mounting hardware included. Compatible with all Tundra models with oval two-prong feet.

COMING SOON TO EUROPE

SEADEK

Make the most of your day on the water with the SeaDek®. This durable, slip-resistant SeaDek is made from 6-millimeter EVA foam and provides excellent traction and extreme comfort while using your YETI® as a standing or casting platform. The SeaDek attaches permanently to your cooler with a pressure-sensitive adhesive backing and is custom fit for YETI Tundra® models up to Tundra 160.

Starting from *
RRP £59.99 | €79,99

Available in Cool Gray and Olive Green colour options.

TUNDRA BEVERAGE HOLDER

Keep your beverage within reach on the boat, at the campsite, or on the river. The YETI® Beverage Holder mounts to the side of your YETI Tundra, Roadie or Tank® and serves as a secure and convenient caddy for your frosty beverage. This heavy-duty, powder-coated stainless steel holder slides securely into the AnchorPoint™ Tie-Down slot of your YETI, but doesn't get in the way of opening your cooler to grab another drink.

COMING SOON TO EUROPE

TARPON BEVERAGE ENTRY TOOL

Hydration is the key to survival, which makes the Tarpon Beverage Entry Tool your ultimate survival tool. With a twist-off wrench, church key, and can tab opener, it may replace your favourite multitool. Made of forged stainless steel.

COMING SOON TO EUROPE

DRAIN PLUG TWO-PACK (TUNDRA, ROADIE)

Don't let your cold-holding power go down the drain. YETI®'s screw-in gasketed Drain Plug lets your cooler drain while the plug is only partially open.

COMING SOON TO EUROPE

TUNDRA LATCHES TWO-PACK

Recognise these latches from anywhere? If you own an ATV, you might. These latches are built to withstand the pounding an ATV dishes out, and they'll also last for years on your YETI® cooler. Same goes for the latch keepers, which are molded directly into the cooler's body.

COMING SOON TO EUROPE

BOTTLE KEY OPENER

The YETI® Bottle Key is the ultimate wrench for opening your bottle. Designed as a Class 2 Lever, a mechanical advantage is achieved by applying force about the fulcrum for easy cap removal (Physics 101). Stamped from 1/8" stainless steel.

COMING SOON TO EUROPE

TANK LID

The YETI TANK® is a highly portable party machine designed for advanced beverage distribution, but we wanted to make it even better. Available for both the YETI TANK 45 and YETI TANK 85, the YETI TANK Lids are made of UV-resistant, marine-grade material. You can keep your beloved party tub even colder while moving it from place to place or use the Tank as an extra seat or cutting surface.

Starting from *
RRP £49.99 | €49,99

TUNDRA ROD HOLSTER

Gain easy rod access whether paddling or boating. Our Rod Holster is made from a single heavy-duty polypropylene tube, attached to a sturdy, stainless steel, powder-coated bracket. It slides securely into the AnchorPoint™ Tie-Down Slot of your YETI® cooler without getting in the way of the lid and makes a secure storage option for your casting and spinning rods.

COMING SOON TO EUROPE

CORNER CHOCKS

Secure your YETI® with our heavy-duty rubber Corner Chocks. Rubber provides excellent, non-abrasive support and can withstand years of wear and sun exposure.

Kit includes: 4 rubber Corner Chocks. 2 marine grade bungees. Stainless steel mounting hardware.

COMING SOON TO EUROPE

TUNDRA DIVIDERS

Organise your cooler with our Dividers. Using the horizontal or vertical dividers, you can separate your catches or make room for more storage. Each divider fits directly inside the molded-in divider groove. And they also make great cutting boards when not in use.

Starting from *
RRP £24.99 | €29,99

RAMBLER JUG MOUNT

Crafted from rugged polypropylene, the Rambler® Jug Mount can be fastened to your work truck, ATV, boat, or trailer. It's the only water jug mount designed specifically for the Rambler Jugs. This jug mount includes the following hardware: wood screws, bolts, nyloc nuts, and washers.

RRP £39.99 | €49,99

LOADOUT CADDY

With everything the bucket can do, it's not known for its organisational capacity. This 3-compartment caddy is built YETI tough, so it's resistant to cracks and breaks when you need to fling it aside or drop it on the deck. It fits tight and stays put at the top, just below the bucket's top with a retractable grab-and-go handle, so it's lid-compatible, too.

RRP £19.99 | €29,99

LOADOUT UTILITY GEAR BELT

Tackle any task with the LoadOut Utility Gear Belt. The QuadPocket™ Design is specifically engineered for all your general stuff. Tools, tackle, spent shells, pocket knives, dog treats, bottle caps. You get it. But we're not leaving it all up to the imagination. Our HitchPoint™ Grid webbing fits the YETI MOLLE bottle opener and the YETI MOLLE Zinger, so you're equipped for anything — like popping open a cold beer.

RRP £39.99 | €49,99

LOADOUT LID

The LoadOut Lid keeps contents safe from salt spray and contained when the water gets rough. Taking inspiration from the Rambler family of lids, it's transparent, easy to remove and watertight – but this time we brought in reinforcements. The HeftHex™ Construction makes for a more durable framework that resists cracking, even in extreme temps with over 130kgs of pressure. If you didn't think lid technology was a thing before, this will get your attention.

RRP £29.99 | €39,99

MOLLE BOTTLE OPENER

The MOLLE Bottle Opener attaches directly to your Hopper™, meaning you'll never again be without a way to crack into those icy brews. Its low profile prevents snagging, attaches snugly for maximum leverage, and is made from corrosion-resistant stainless steel that can take a major beating. As an added bonus, you can attach it to your pack or any other MOLLE rigging just in case your Hopper's HitchPoint™ Grid is full.

Each sold separately.

RRP £9.99 | €14,99

MOLLE ZINGER

Keep your multitools or bottle openers within arm's reach with the MOLLE Zinger. The MOLLE Zinger easily attaches to your YETI® Hopper™ HitchPoint™ Grid. Its retractable cord is made from braided bomber cord for maximum strength and durability. Add on a wide variety of field tools to the flat split ring, from flashlights to clippers. Don't get caught empty-handed in the field — keep the MOLLE Zinger close by.

RRP £29.99 | €39,99

WALL MOUNTED BOTTLE OPENER

The fastest way to get from a closed bottle to an open one. Our bottle opener mounts directly to your Tundra® or Roadie® but is just as easily at home on your deck, in your kitchen, or out by the barbecue. Its rugged design, made of cast stainless steel, provides premium durability and makes opening bottles easy. The four-screw design provides stronger mount, but be sure to not over-tighten screws when mounting to your YETI. Use manual screwdriver for best results.

RRP £19.99 | €29,99

RAMBLER HANDLES

YETI® wants to give you a hand, or at least a Handle, when it comes to securely hauling your Rambler™ Tumbler. The Rambler Handles offer an alternative way to hold your Lowball, 20 oz. and 30 oz. Tumblers to optimise portability. The Handle's rubber grip provides an easy fit for your Rambler and its polypropylene construction means your Handle will handle bumps and thumps just fine. Because it's not just a cup handle – it's a YETI.

RRP £9.99 | €11,99

RAMBLER BOTTLE CHUG CAP

Get to drinking faster with the Rambler Bottle Chug Cap. It just takes a quick half-twist of the TripleHaul™ Handle to open and then you're good to go, making it easy to steal a sip without slowing down. Its classic spout allows for speedy gulps, plus it's shatter-resistant and dishwasher safe, like the rest of the YETI Rambler accessories. And while your friends don't need to chant "chug" as you drink from the Chug Cap, we certainly don't think it hurts to add to the experience.

RRP £12.99 | €15,99

RAMBLER BOTTLE STRAW CAP

We simplified sipping with the Rambler Bottle Straw Cap. When you need some water (or whatever cold drink suits you), all you have to do is flip it open, take a sip, and close it tight to stay moving. It's leak-resistant, easy to carry (thanks to the TripleHaul™ Handle), and has a wide straw opening so you get more drink with every sip. Wherever the wild takes you, the YETI Straw Cap for the Rambler Bottles makes it easy to sip without slowing down.

RRP £11.99 | €15,99

RAMBLER BOTTLE HOTSHOT CAP

On-the-go caffeine enthusiasts meet the insulated, 360-drinking, 100% leakproof cap ideal for morning commutes, cold-weather hunts, night shifts, and beyond. With just a half twist and a click, you can sip from any side and enjoy that perfect, piping-hot temp. And as an added bonus, you can put the Hot Shot™ Cap on any of our Rambler Bottles – it's compatible with all of 'em. But if you ask us, the 12 oz. is the perfect size for it.

RRP £12.99 | €15,99

RAMBLER MAGDOCK CAP

This hydration innovation marries our chug-style cap with the simplicity, function, and power of magnets for a 100% leakproof, on-the-go solution. The MagDock Cap is smartly designed with a magnet docking station so you never lose your cap when you're downing your H2O. And the customer-favourite narrow spout of our chug cap allows for faster drinking while keeping ice cubes at bay. That's too many wins to count.

RRP £12.99 | €15,99

RAMBLER TUMBLER STRAW LID

The Rambler™ series' famous cold-retaining properties keep frozen beverages icy for hours, and now the Straw Lid makes them easier to enjoy. Our wide, durable drinking straw makes this the perfect lid for margaritas, slushies, and whatever drinks you'd rather sip than gulp.

Unlike other insulated cups with straws, the Rambler™ Straw Lids are built to last and have a molded-in stopper that holds your straw safely in place. And just like our other Rambler® lids, it's shatter-resistant, dishwasher-safe, and completely free of BPA.

RRP £9.99 | €11,99

MAGSLIDER LID - WINE TUMBLER

The MagSlider Lid means enjoying drinks from our Rambler Tumblers without worrying about splashes on the go. Unlike other closeable drink lids, ours harness the power of magnets (yep, real magnets) for smooth opening and closing, and have a crystal clear lid so you can always see if you're in need of a top up. Our magnet technology also makes for easy cleaning — you can pop the MagSlider off, rinse, dry, and return it to the YETI Slider Lid. And the MagSlider Lid is dishwasher safe and shatter-resistant, just like the rest of our Rambler accessories.

RRP £9.99 | €11,99

MAGSLIDER LID - 10 OZ / 20 OZ TUMBLER

The MagSlider Lid means enjoying drinks from our Rambler Tumblers without worrying about splashes on the go. Unlike other closeable drink lids, ours harness the power of magnets (yep, real magnets) for smooth opening and closing, and have a crystal clear lid so you can always see if you're in need of a top up. Our magnet technology also makes for easy cleaning — you can pop the MagSlider off, rinse, dry, and return it to the YETI Slider Lid.

RRP £9.99 | €11,99

MAGSLIDER LID - 14 OZ MUG / 30 OZ TUMBLER

The MagSlider Lid means enjoying drinks from our Rambler Tumblers without worrying about splashes on the go. Unlike other closeable drink lids, ours harness the power of magnets (yep, real magnets) for smooth opening and closing, and have a crystal clear lid so you can always see if you're in need of a top up. Our magnet technology also makes for easy cleaning — you can pop the MagSlider off, rinse, dry, and return it to the YETI Slider Lid.

WARRANTY

INFORMATION

WE'RE DEDICATED TO MAKING SOME OF THE MOST DURABLE OUTDOOR PRODUCTS ON THE PLANET. BUT SOMETIMES THE UNEXPECTED HAPPENS.

As a reminder the YETI Product Warranty below should be made available for consumers to review.

If a consumer has further questions about the Warranty Policy, they can find more information at <https://eu.yeti.com/pages/faq#Warranty> or you can contact YETI at 0808 1697080.

WARRANTY DISCLAIMER

This warranty does not include any manufacturer responsibility for any incidental or consequential damages resulting from the use of the coolers or any other YETI product. If warranty applies, the manufacturer will repair or replace, at their discretion, the cooler or any part or component that is deemed defective. YETI reserves the right to change products and designs without incurring any obligations to incorporate such changes into already completed products, or those in the hands of dealers or consumers. Products repaired or replaced under this warranty may or may not incorporate these changes. Damaged products must be returned directly to YETI, in the original box or adequate cardboard packaging, freight prepaid.

A copy of the original sales receipt and the Return Authorisation Number (RMA#) must be included with the product.

3-YEAR LIMITED WARRANTY

YETI Hopper, Panga, and LoadOut carry a 3-Year Limited Warranty against defects in material and workmanship. This warranty applies to only the original owner and is void if the product is used commercially, structurally altered, or subjected to stress beyond the physical limits of the materials used in body or components, or is damaged as a result of abnormal use. Punctures and normal wear and tear are not warranted. Any limited edition product still under warranty will be replaced at the discretion of YETI with the same size product in a different colour based on availability.

5-YEAR LIMITED WARRANTY

YETI Tundras, TANKs, Roadies, YETI ICE, and the YETI Rambler Series of stainless steel products carry a 5-Year Limited Warranty against defects in material and workmanship. This warranty applies to only the original owner and is void if the product is used commercially, structurally altered, or subjected to stress beyond the physical limits of the materials used in body or components, or is damaged as a result of abnormal use. Normal wear and tear is not warranted. Any limited edition product still under warranty will be replaced at the discretion of YETI with the same size product in a different colour based on availability.

An aerial photograph of a tropical beach. The top left corner shows a dense thicket of green trees and bushes. A wide, sandy beach curves along the top and left sides. The water is a clear, light green color, with a small blue and white motorboat floating in the lower right quadrant. The overall scene is bright and serene.

SPECIAL THANKS TO OUR RETAILERS
