# MAINLINE SPRING/SUMMER 19

For Spring Summer 19, Boardies® takes our inspiration from travelling to far-flung destinations and experiencing unique local culture, art and environments.

Boardies® Mainline collection continues to introduce new and refreshing graphics, continuing our love affair with the 80s/90s. This season visits the hey-day of the Sunset Strip, with 80s Rock, Flying-V guitars, Hot-Rod flames, as well as 90s grunge tie-dye print and neon graphics.

Always striving to innovate our line, we've introduced a new 'Side Panel' short which showcases a more subtle off-side print, as well as our Water Reactive magic fabric graphics on a new palette of Boardies® solid colours revealing our popular Flair Palms print when wet.

Further artist collaborations continue for Boardies® this season with Sydney based street artist, Mulga, whose iconic bold murals are blowing up across Australia. Boardies® has also teamed up with our friend FOS, a Los Angeles based artist renowned world-wide for his distinctive skateboard deck graphics.

Boardies® SS19 also sees the introduction of Kidswear, with Boardies® signature swim shorts now available in 5 sizes, from boys aged from 1-2 years old up until 10-12 years.
