CLASSICS

Momentum.

Last year we launched a new Classics line and reset our foundation. Now, it's time for growth and innovation as we open up to a new year.

This season, we got inspired by the transitions of spring. We designed a line for longer days, bluer skies, new trips and open opportunities. We move forward on our journey and invite our Creatives to come with us.

FROM THE ECO COLLECTION TO OUR ENTIRE RANGE, WE'RE SCALING UP RECYCLED MATERIALS

22 post-consumer plastic bottles

go into every Eco Herschel
Novel™ Duffle.

Over 4 million bottles recycled

The Eco Collection sold 234,000+ units by the end of 2022, giving new life to over 4 million plastic bottles. This was calculated based on the number of units sold multiplied by the number of bottles recycled into each product.

20 post-consumer plastic bottles

go into every Eco Herschel
Little America™ Backpack.

91% of our bag, travel and accessory styles produced for Fall 2023 will be made with recycled fabrics

We'll keep raising the bar to innovate
recycled trims and other components.

Color Overview

Each season we look at bestselling SKUs and the latest trend forecasting to offer a mix of new and core colorways. This season we introduce new colors and prints inspired by the Pacific Northwest coming into bloom.
