Life's A Trip

PRODUCT LAUNCH

Life's A Trip

As we head into 2025, we'll continue to build our creative momentum. Life's a Trip is the brand platform from which we'll produce our creative and campaign concepts. This platform will inform our brand attitude, how we show up visually and how we speak to our audience.

A misty forest with tall, thin trees and a dense canopy of green foliage. The scene is dimly lit, with soft light filtering through the trees, creating a serene and atmospheric environment. The text is overlaid on the right side of the image.

Our goal is to reduce our impact on the environment. We're innovating new processes and making products that are kinder to the planet — products that use better materials and are free of anything toxic. As of 2024, almost all of our bags are made with recycled fabrics.

HERSCHEL
SUPPLY CO. BRAND

As a brand, we've always been inspired by skate and surf culture. This season, we partner with self-taught artist and filmmaker Thomas Campbell on an exclusive collection.

Based in Bonny Doon, California, Thomas's diverse practice and DIY attitude has captured the attention of the skate and surf communities for years, and appeals strongly to our sense of creative freedom and design mindset.

In this collaboration, Thomas Campbell looks back on his skate background to add his unique twist on some of our classic silhouettes.
