

A high-contrast, black and white line-art illustration of Spider-Man. He is shown from the chest up, wearing his iconic mask and suit. He is suspended in a web, with his arms outstretched. The background is a dense, intricate web pattern. The overall style is reminiscent of classic comic book art.

**BLACK FRIDAY  
2022**

**60 years ago a New York kid was bitten by a radioactive spider, turning him into a web-slinging vigilante and one of the most iconic superheroes ever.**

**Our third and final drop of 2022 with Marvel, is all about the Amazing Spider-Man universe with his nefarious nemesis Venom dropping in. The HUF x Marvel grand finale goes back to the 90s era of the classic comic, featuring tees with vintage-inspired oversized prints, socks, and a collectible skate deck, all finished with a co-branded commemorative hangtag. Stay tuned for the limited Spider-Man capsule, dropping on Black Friday 2022.**
