

KEITH FOREVER

FALL '23 COLLECTION

Craft. Quality. Culture. The Fall 23 collection pushes HUF design and construction further by elevating the classics and innovating new pieces, styles, and graphics. Mixing rugged outdoor and classic collegiate aesthetics with Autumn hues and soft pastels, Fall 23 focuses on technical outerwear with modern details and throwback nods.

Pulling from pop culture iconography and the intersection of '90s graffiti and skate design, Fall 23 graphics add seasonal colors, deep dyes, and bold prints for a vintage modern feel. Along with new flips and color-ups on brand staples, classed-up workwear, '70s vintage, tonal executions, and noir-influenced aesthetics bring a new HUF take on Fall.

HUF X BEAT CAFE

Since 2006, Tokyo, Japan's Beat Cafe has been a deep cut for locals and anyone passing through in the know. The unassuming bar is known worldwide for its lowkey ambience and genre-spanning soundtrack, curated by founder and DJ Katoman.

To celebrate the years, beers, and vibes we've shared with Shibuya's most infamous dive, we're releasing a limited Beat Cafe capsule with the Fall '23 collection, featuring a tee, 6-panel hat, and ashtray with co-branded HUF x Beat Cafe artwork.
