## SUMMER 24 COLLECTION

Defined by the details and refined for the future. Summer 2024 creates new classics with a mix of emerging artists, pop culture references, and our favorite vintage pieces as the foundation of what's next. With genre spanning graphics that take new turns and unique applications, we're reimagining pieces from the past with new colors, washes, materials, and unexpected modern touches that could only be now. Considered design with nods to where we've been take us to new realms with a new focus.

DICK RIZZO CAPSULE

**DICK RIZZO**

Born in New Jersey, Dick Rizzo's laidback style and creative approach to natural transitions defines a new generation of East Coast skateboarding. Honing his skill with part after part in seminal underground productions, top-shelf videos, and our first full-length HUF "Forever," it's all in his eye, finding new ways to skate classic spots with personality and power. Like his skating, Dick brings that same energy and raw style to his artwork. Using found objects, he leans into subversion and kitsch, using unique hand style juxtapose HUF heritage with vintage dolls. A clash of mediums and message, HUF x Dick Rizzo mixes hard, soft, and unexpected with nods to his influences in a tight capsule inspired by his roots.
