STANCE IS WHAT OTHERS DON'T SEE

Something that has been ignored, taken
for granted, overlooked, dismissed.

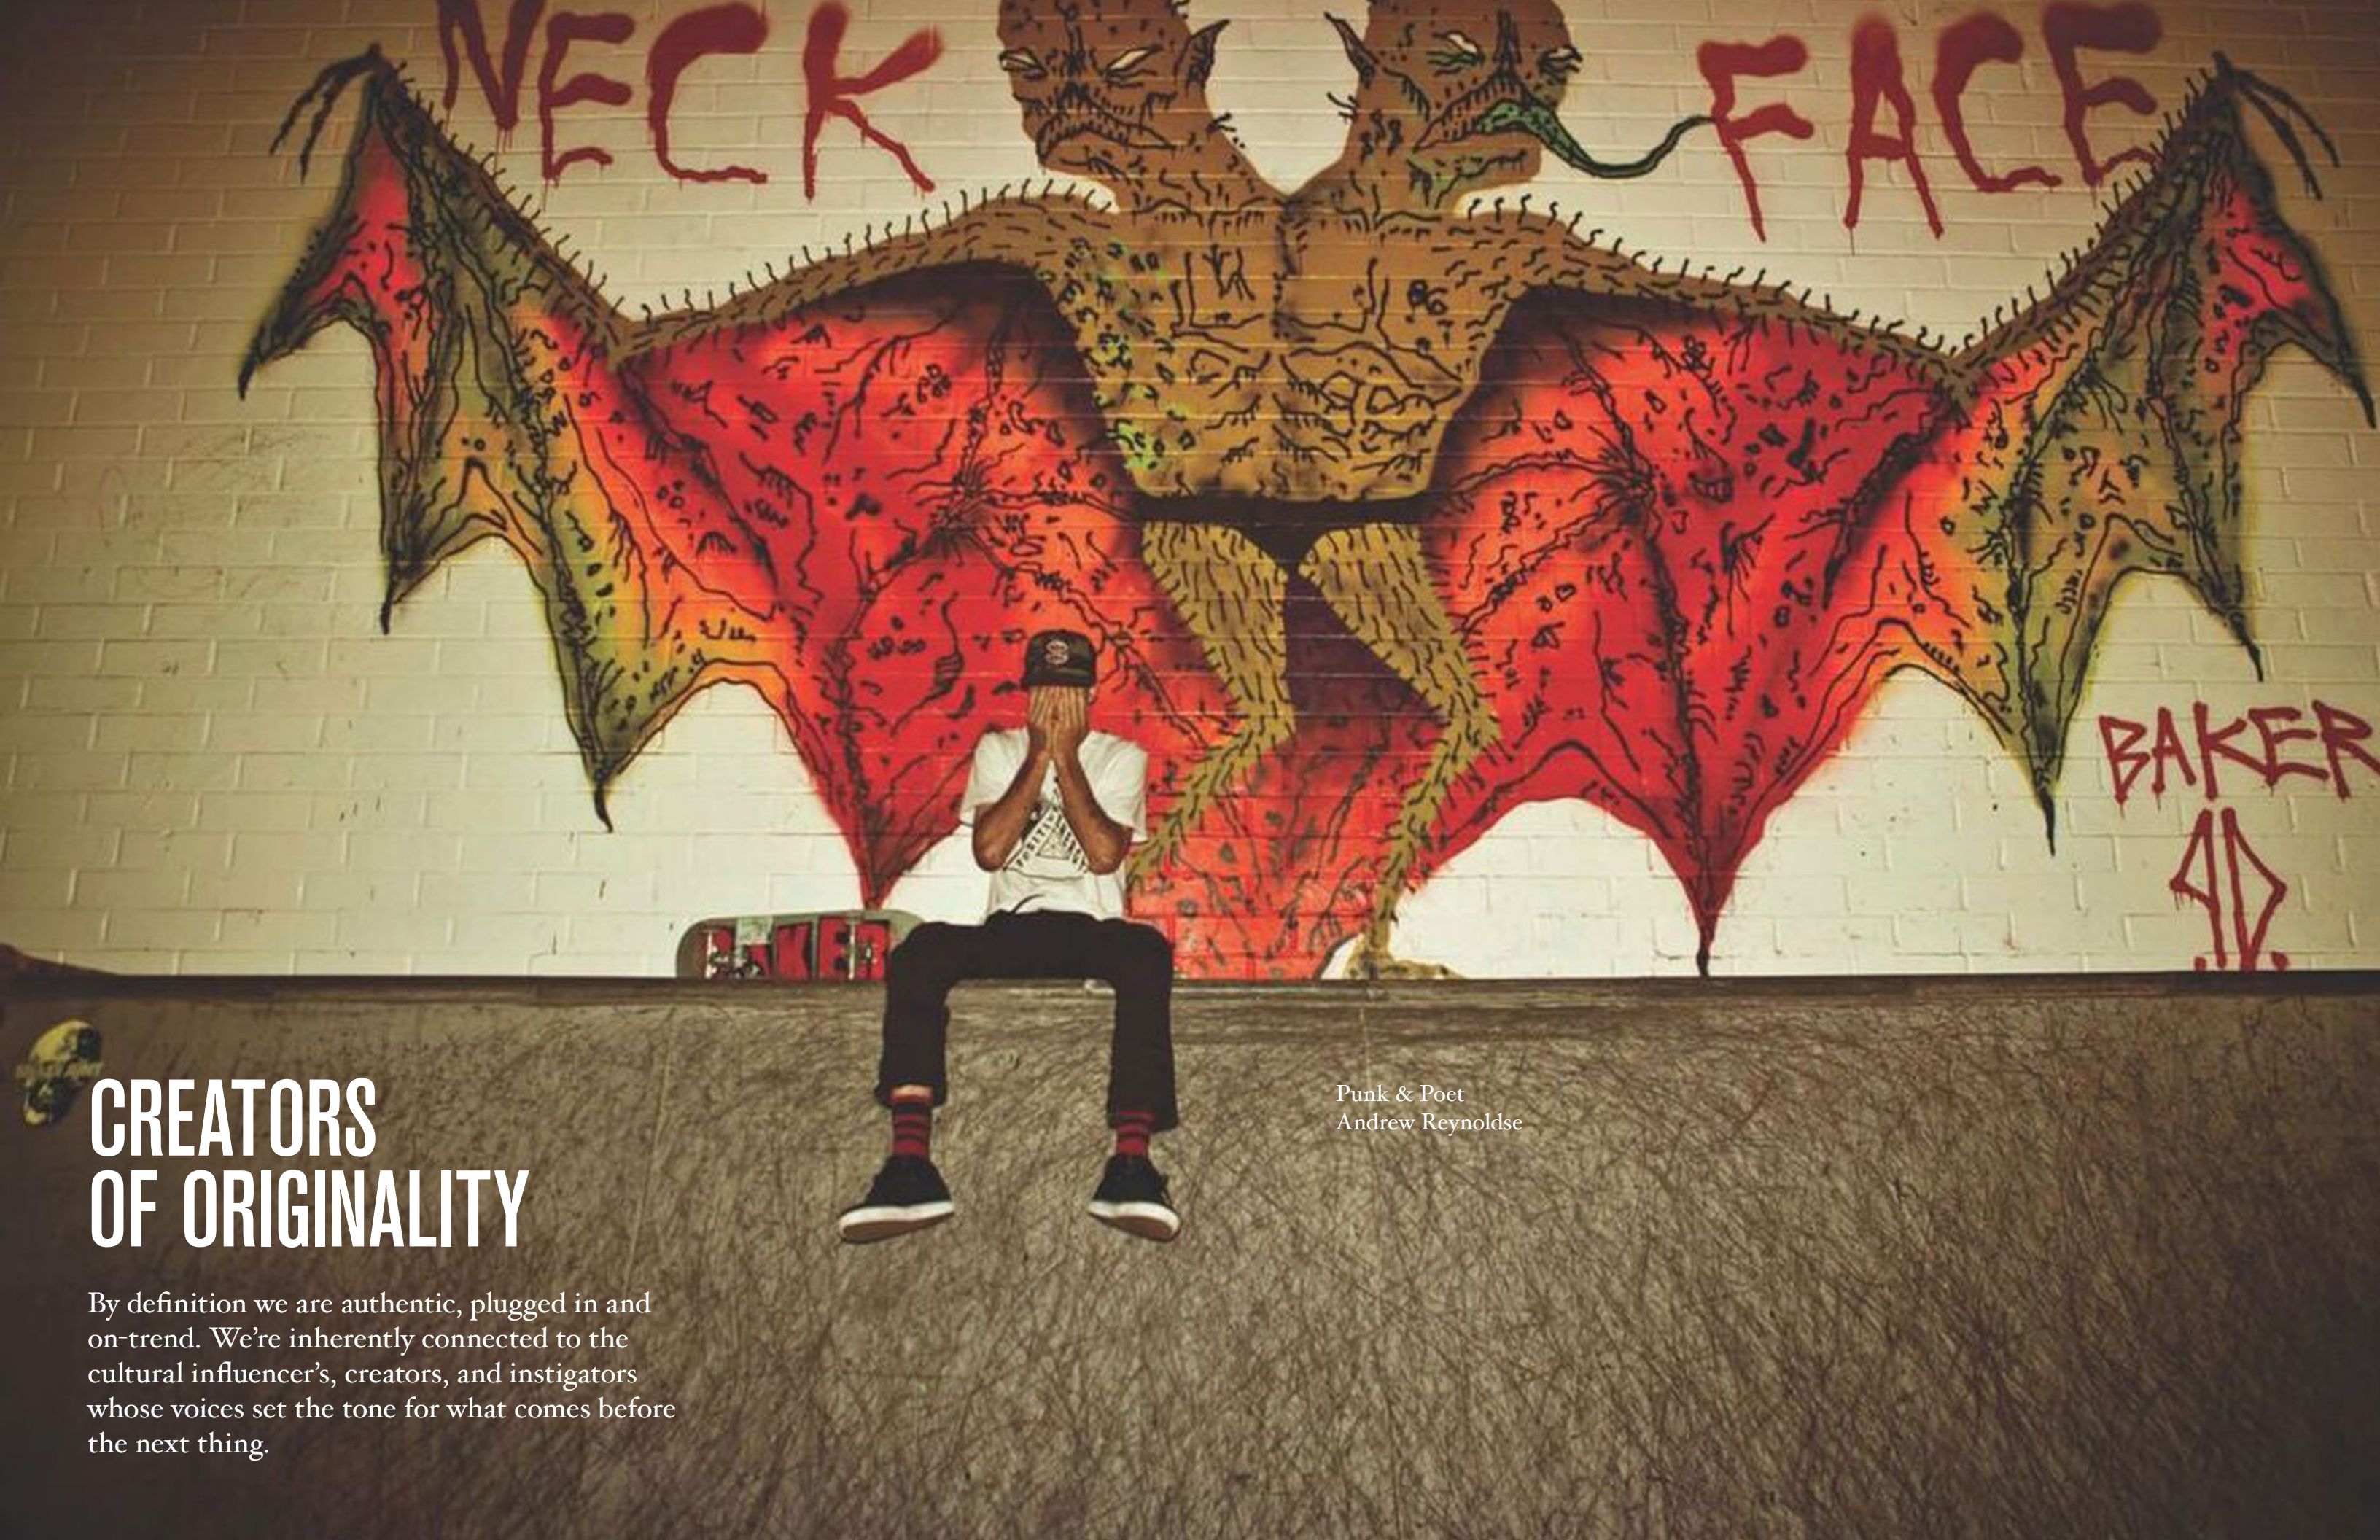

Then we created something remarkable
from everything the others looked past.
Stance was born.

THE UNEXPECTED

Our imagination is fueled by careful observation.
It's developing the capacity to see gaps and
shortcomings.

We know convention makes it hard to see the
possibilities, but our instinct drives us to shine
bright lights on the unexpected.

CREATORS OF ORIGINALITY

By definition we are authentic, plugged in and on-trend. We're inherently connected to the cultural influencer's, creators, and instigators whose voices set the tone for what comes before the next thing.

+ PUNK POETS

They are free thinkers and innovators.

Designers, entrepreneurs, musicians, athletes, models, artists and rebels from all walks of life who inspire to do more and be more. They don't just push the boundaries between ordinary and extraordinary, exceptional and conventional, bold and been done, they obliterate it. United by uniqueness and tied together by style and creativity.

RHIANNA

RIHANNA

Rihanna has taken the music, entertainment and fashion industries by storm. As an accomplished performer, she has sold 54 million albums and 210 million digital tracks worldwide, making her the top-selling digital artist of all time. She's put out seven albums in seven years, achieved 13 number-one singles and won eight Grammy Awards. With over six billion views and 21 Vevo-certified videos, she is the most-viewed artist on Vevo and YouTube, and is one of the biggest artists on Facebook, with over 81 million friends. Rihanna is the first and only artist to cross 100 million Gold & Platinum song certifications, making her RIAA's top-awarded singles artist.

RONNIE FIEG

RONNIE FIEG

Born and raised in Queens, New York, Ronnie Fieg has been making waves in the shoe industry for years. With dreams of designing sneakers and opening up his own store, Ronnie began working for a popular footwear chain, where he went all the way from stock-boy to the store buyer. Since then, Ronnie has opened his own footwear store in New York City, working and designing today's most sought-after collaborative shoes with brands such as ASICS, Adidas, Sebago, Red Wings, Clarks, Saucony, New Balance, Caminando, Chippewa, Shades of Grey by Micah Cohen, Converse, Polo Ralph Lauren and many more. Currently, you can catch Ronnie and his creations at New York's newest retail store, Kith, in the Manhattan and Brooklyn neighbourhoods, along with today's finest quality footwear and limited-edition Ronnie Fieg exclusives.

WILLOW SMITH

A full-page photograph of Willow Smith performing on stage. She is shown from the waist up, angled slightly to the right, playing a black electric guitar. She has her eyes closed and a serene expression. She is wearing a long-sleeved shirt with a vibrant, multi-colored wavy pattern in shades of purple, blue, green, and yellow. Her hair is styled in short dreadlocks. The background is dark, with bright purple and blue stage lights creating a bokeh effect. The overall mood is artistic and intimate.

WILLOW SMITH

We'd call Willow Smith the ultimate provocateur of artistic expression, but even a label like that feels a little too finite for someone so impossible to define. Singer. Actress. Dancer. Entrepreneur. There's simply no box large enough to contain the force that is Willow. With confidence and a sense of style that feel at once unfathomably fresh and well beyond her years, she has a self-possessing originality that makes it feel futile to even mention her age, because she so firmly transcends it.

NECKFACE

NECKFACE

Neckface was born in 1984 in Stockton, California. In addition to being a graffiti artist, he is also an avid skateboarder. He dropped out of art school in 2004 to pursue these two passions independently. His work is recognized for its darkly humorous, naïve-drawing style, which often depicts ultra violent scenes of monsters and humans. Not only is Neckface a graffiti artist, he has also had a number of gallery shows and regularly hosts a Halloween Haunted House along with his family. He has collaborated with the likes of Baker Skateboards, Vans, Nike and Thrasher and has a number of collections with Stance. To find to more info on Neckface, please go to his favorite website www.google.com.

BEATRICE
DOMOND

A full-page photograph of a skateboarder, Beatrice Domond, performing a trick on a city street. She is wearing a white t-shirt, black pants, and white sneakers with orange soles. She is positioned next to a silver car, with her back to the camera. The background shows other parked cars and trees.

BEATRICE DOMOND

Beatrice, originally from South Florida, Beatrice has earned her way to become one of skateboarding most promising future talents. Domond's great character and amazing talent has caught the eye of some skateboardings most exclusive brands such as Fucking Awesome, Supreme, Vans, Venture, and of course, Stance.

KADAR SYLLA

KADAR SYLLA

Coming straight out of Studio City and co-signed by the Boss himself, we're proud to announce 16-year-old skate phenom Kader Sylla as the latest addition to our family of Punks & Poets. Having already flown through the amateur ranks to his first pro model on Baker in a just few short years, the career of future legend Kader Sylla is only getting started and we plan on being there with him every step of the way.

@LaterKadar

ANDREW REYNOLDS

ANDREW REYNOLDS

It is a fact that The Boss has permanently etched his mark on skateboarding and its culture. He shares his creative vision and his passion for purity and progression through his life both on and off the board. When he finds time in his busy schedule, you can find Drew ripping on his guitar with his bandmates in The Goat. Stance is proud to have Andrew Reynolds as one of our elite ambassadors. As fans of Reynolds, we are excited to bear witness to, as well as participate in, the advancement of his legacy, which has no end in sight. Long live Reynolds.

[@AndrewReynolds](#)

LOUIE
LOPEZ

@LouieLopez

Louie was born and raised in Hawthorne California, and caught on to skateboarding at the young age 5 years old. By the time Louie was 12, he began entering AM contest, and catching the eyes of some of today's most respected brands within the sport. We're excited for what the future has in store.

@LouieLopez

NORA VASCONCELLOS

A woman with shoulder-length brown hair is sitting on a wooden ramp or ledge. She is wearing a white short-sleeved button-down shirt with a colorful floral pattern, teal-colored trousers, white socks, and light blue sneakers with white and orange stripes. She is looking down at her feet. To her right, a yellow and black power drill is lying on the wooden surface. The background shows a building with a textured wall and a window.

NORA VASCONCELLOS

Massachusetts native Nora Vasconcellos' spunk, positive attitude, easy-going nature, combined with her natural ability on a skateboard (as well as a surfboard) make her a pleasure to watch on and off the board. When Nora isn't shredding terrain of both concrete and water, she is likely singing karaoke, making funny videos (with or without her friends), traveling, or hanging with her adorable fat cat Loo, who has an equally interesting personality. We fell in love with Nora's freewheeling exuberance and we think you'll do the same.

@NoraVExplora

CHIPPA WILSON

CHIPPA WILSON

Blame it on the internet—and insane skills. Thanks to a series of web edits that quickly garnered attention, Chippa Wilson went from pounding nails as a carpenter to traveling the globe and headlining surf films. Chippa's skate-influenced style, creativity, and aerial skills enable him to push progression.

Whether pioneering new tricks or simply throwing down classics, he provides a fresh approach to surfing. Humble and soft-spoken, Chippa lets his surfing speak for itself. And needless to say, we're always hyped to listen.
